NOTE 48/proposed dated 14-11-1942

Returned with compliments

12 The proposal of the Deputy Commissioner Mysore to appoint one C Mylarian a Bill Collector of Chamarajanagar Municipality as a clerk in grade P 25-1-40, cannot be accepted Firstly, the proposal involves change from the executive service to the ministerial Secondly he does not possess any general educational qualification and as such he is not qualified even to hold a third class appointment but the proposal is to appoint him in class II There is no dearth of qualified candidates, belonging to Brahmin community it is highly undesirable that when hundreds of candidates have been anxiously awaiting to get enlisted an unqualified official who was placed under suspension twice in the course of one year, should be thought of for being appointed in a class II vacancy (vide page 7 Service Register between 8-3-1929 and 1-7-1930) It is rather strange that Heads of Departments and one Unit Officers who stoutly oppose any suggestion for lowering of the qualification for several posts on the ground of inefficiency, should themselves send up recommendation for appointing nil qualified officials for being appointed in higher posts In these circumstances, I strongly oppose the recommendation

13 In this connection I should like to add that the appointment of Mylarian as a clerk in 1929 and then as Bill collector in 1932 was in itself an irregularity The Deputy Commissioner contends that his appointment was made in the year 1932 when there was no restriction regarding ~~change~~ transfer of officials from ministerial to the executive and vice versa

Sir,

Appointment of a Bill Collector, Mylaraiah of Chamarajanagar Municipality as Clerk in the same Office

---

I have the honour to forward herewith, the file of correspondence ending with the President's Report No M C 29 of 45 dated 16th July 1946 on the above subject and to state that in view of long service rendered by Mylaraiah and his satisfactory work and of the fact that he has been drawing Rs 25/- in Grade 20-1 25 as Bill Collector since 1940, the Council resolved to revise the scale of pay to Rs 25-1-30 at their meeting held on 31-8-45 (Copy Enclosed)

Subsequently on the representation of the official he might be changed to ministerial line due to his age and of the fact that he was in the clerical line before for some years as Muzrai and Deputy Clerk in T Narsipur Taluk Office and Municipal Clerk at Banur, before he was transferred to the Chamarajanagar Municipality as Bill Collector, the Council resolved at their meeting held on 23-3-1946, to change him to the ministerial line and fix him up as a clerk in grade 25-1-30 and also to entrust him with the Mohatarfa and other accounts in view of his having good experience of office work Copy of resolution and application are enclosed

It is stated that the work on account of Mohatarfa has

P T O

has so much that it has become impossible for one Bill Collector to cope with it and that an experienced and competent hand alone could manage this branch of work

I request in these circumstances that the proposal of the Council may be sanctioned as a Special Case and his item changed from Executive to Ministerial against a existing vacancy in grade 25-1-40

I have the honour to be,

Sir,

With reference to the correspondence ending with your letter No D3 249/46-4, dt 4-10-46 re the appointment of Mylarraya, Bill collector of the Chamarajanagar town municipality on Rs 25 p m in grade Rs 20-1-25 as a clerk on Rs 25-1-40 etc, I am directed to state that the proposal involves a change from the executive service to the ministerial. The Bill collector in question does not possess any general educational qualification and as such he is not qualified even to hold a

third class appointment But the proposal is to appoint him in Class II There is no dearth of qualified candidates belonging to Brahmin Community Itis highly- undesirable that when hundreds of Candidates have been anxiously- awaiting to get enlisted, an unqualified official who was placed under suspension thrice in the Course of one year, should be thought of for being appointed in a class II Vacancy (Vide Page 7 of the Service Register, between 8 3-29 & 1-7-30) ~~I am to add that it is rather strange that Heads of Depts and the Local Officers who stoutly- oppose any suggestion for lowering of the qualification, for several posts, on the ground of inefficiency- should themselves send up recommendation for appointing not- qualified officials for being appointed in higher posts~~ In these circumstances I am to state that your proposal cannot be accepted

It writes, the appointment of Mylarnah as a clerk in the year 1929 & then as Bill collector in the year 1932 was in itself an irregularity

(*Continuation sheet draft form*)

As the Govt no 6396-6495/CRB 4-28 Dt 12-2-1929 relating to the transfer of officials from ministerial to executive, & vice versa is very clear, your contention that Mylarnah who was a clerk in 1929, was appointed as Bill Collector in 1932 when there was no restriction regarding such transfers is not correct.

In these circumstances I am therefore to request you to take necessary action to regularise the appointment already made as above
